

For 23 years, I have been working and trying to inspire my creativity and experience both in graphic and interactive designs and their application on all media.

EXPERIENCE

In active search of creative code & design missions through innovative and inspiring technological projects.

SCOP ENTREPRENEUR (*Coop'Alpha*)

2017 / Today, Bordeaux

My ambition today is to promote eco-responsible actions through digital and ethical projects that promote crafts through the short and local circuit.

GRAPHIC AUTHOR, *Free-lance*

2012 / Today, Paris - Marseille - Bordeaux

"LES MYSTÈRES DE PARIS", a transmedia animation project still in the editorial + financial development phase.
